

Communications Committee Meeting April 14, 2009

The Communications Committee met at pool #1 at 10:00 AM. Association President, Gail Christiansen conducted the meeting with the absence of Syd Sonneborn.

In general, the participants seem to be satisfied with the new landscape company, An Affair with Flowers and Plants. The Owner, Julie, has indicated that they are currently having some difficulty regulating water pressure throughout the system. Therefore we are seeing some spots of yellowing in the grass. They hope to soon have it under control.

The rescheduled board election will be held at the Hope Lutheran Church on Saturday morning, April 18, 10:00 AM. More owners have sent in ballots to management this time around than with the vote in March.

The Board of Directors is looking at hiring a new management company to replace our present one due to problems of omission on their part. The board hopes to be able to make a decision on this matter by May 1.

The stucco and iron fencing repairs and kiosk remodeling to be done by Dana Fike, have not started because of problems associated with scheduling. There seems to be some communications problems at this point.

Respectfully submitted by: Syd Sonneborn
